The League Season will be 20 weeks long starting April 18, 2016 and ending August 29, 2016.

1. The expected league attendance average will be 85% requirement for league play. If you do not retain an 85% attendance average your league will be required to prepay the following season or subject to forfeit of league time.
2. Your league rate will be \$15.50 to walk or \$23 to ride 9 holes.
3. League play is required to play in 2 hours and 15 minutes or less. We will monitor the speed of league play.
4. The league contact will be responsible to provide Gleneagles with a list of ALL league players due two weeks prior to the league's first week of play.
5. The league is signing up for the specified times above. Any times outside of the league times must be paid for at that time.
6. League play officially ends the week of August 29, 2016. We encourage leagues to continue play; we just ask that they notify the pro shop on a week-by-week basis with the number of tee times needed.
7. All leagues will alternate sides each week. In the event of rain out or holiday, the league will continue to alternate as though play had occurred the previous week.
