The League Season will be 20 weeks starting week of April 25 and ending week of September 5.

1. The league will pay for 18 weeks of the season by April 11. The costs per person will \$306 (18 weeks x \$17.00). This comes to a savings of \$34 per person! In return, the individuals will receive **20** weeks of league play beginning the week of April 25, 2022. Each individual will also receive 5 small baskets of range ball each. If the golf course must **close** more than two times, the league will receive rain checks.
2. The league representative is required to pay by check or credit card for the total number of greens fees. In return the league contact person will receive 3 FREE greens fees certificates for 9 holes. If one payment is not paid by April 11th this privilege will be forfeited.
3. League play is required to play in 2 hours and 10 minutes or less. We will monitor the speed of league play.
4. The league contact will be responsible to provide Gleneagles with a list of all league players due on the date of payment.
5. Payment is for your league's tee time as listed above. Any times out side of the league times must be paid for at that time.
6. League play officially ends the week of September 5. We encourage leagues to continue play; we just ask that they notify the pro shop on a week-by-week basis with the number of tee times needed.
7. All leagues will alternate sides each week. In the event of rain out or holiday, the league will continue to alternate as though play had occurred the previous week.
