**The League Season will be 20 weeks long starting April 25 and ending September 5.**

1. The league will pay for half of the season (9 weeks) by April 11 and the second half by June 13. The costs per person will \$153 (9 weeks x 17.00) This comes to a savings of \$34 per person plus each individual will also receive 2 small baskets of range balls. No one will be allowed to play after June 12<sup>th</sup>, if money is not paid in full. In return, the individuals will receive **20** weeks of league play beginning the week of April 25. If the golf course must **close** more than two times, the league will receive rain checks.
2. League play is required to play in 2 hours and 10 minutes or less. We will monitor the speed of league play.
3. The league contact will be responsible to provide Gleneagles with a list of all league players due on the date of payment.
4. Payment is for your league's tee time as listed above. Any times out side of the league times must be paid for at that time.
5. League play officially ends the week of September 5. We encourage leagues to continue play; we just ask that they notify the pro shop on a week-by-week basis with the number of tee times needed.
6. All leagues will alternate sides each week. In the event of rain out or holiday, the league will continue to alternate as though play had occurred the previous week.
