Junior Golf Programs – "Fundamentals of the Game"

These programs are designed for children of all ages and skill levels. Golfers will be able to learn the basics, brush-up on their skills, and learn specific techniques to enhance their game. The programs will cover all aspects of the game including: rules, etiquette, putting, chipping, driving, and full swing techniques. These aspects will be covered with drills and demonstrations that will develop the skills necessary to play the game. These programs will also include on course instruction and play during the sessions.
