

2026 Golf Clinics

Fundamentals of the Game

These programs are designed for all skill levels. Golfers will be able to learn basics, brush up on their skills, and learn specific techniques to enhance their game. The programs will cover all aspects of the game including rules, etiquette, putting, chipping, driving, and full swing techniques. These aspects will be covered with drills and demonstrations that will develop the skills necessary to play the game. These programs will also include on course instruction and play during the sessions.
